

Lumesis, Inc. January 2017 DIVER Geo Scores Released

Proprietary Score Shines Spotlight on Unemployment and Foreclosures

STAMFORD, CT – February 6, 2016

Lumesis, Inc. DIVER Geo Score results for January 2017 have been released. The DIVER Geo Score is a relative score of the economic health of a U.S. state, county or city. Based on a scale of 0-10, with 10 being the best, the Geo Score is calculated from multiple economic and demographic factors related to employment, income and housing and is updated monthly. The Geo Score helps market participants understand the economic health of every State, county and over 350 cities in a simple score

“Unemployment and foreclosures are the major drivers of the January 2017 DIVER Geo Scores” said Gregg Bienstock, CEO and Co-Founder at Lumesis, Inc.
